Each plan may require you to follow its rules or use specific doctors and hospitals, and it may be impossible to comply with both plans at the same time. Before you enroll in this plan, read all of the rules very carefully and compare them with the rules of any other plan that covers you or your family.

Understanding Your Dental Benefits Plan

The Preferred Dentist Program is designed to provide the dental coverage you need with the features you want. Like the freedom to visit the dentist of your choice – in or out of the network. .

If you receive in-network services, you will be responsible for any applicable cost sharing, negotiated charges after benefit maximums are met, and costs for non-covered services. If you receive out-of-network services, you will be responsible for any applicable cost sharing, charges in excess of the benefit maximum, charges in excess of the negotiated fee schedule amount, and charges for non-covered services.

- Plan benefits for in-network covered services are based on a percentage of the Negotiated fee – the Fee that participating dentists have agreed to accept as payment in full for covered services, subject to any deductibles, copayments, cost sharing and benefit maximums. Negotiated fees are subject to change.
- Plan benefits for out-of-network services are based on a percentage of the Reasonable and Customary (R&C) charge. If you choose a dentist who does not participate in the network, your out-of-pocket expenses may be greater.

Common Questions ... Important Answers

Who is a participating dentist?

A participating, or network, dentist is a general dentist or specialist who has agreed to accept negotiated fees as payment in full for covered services provided to plan members, subject to any deductibles, copayments, cost sharing and benefit maximums. Negotiated fees typically range from 15-45% below the average fees charged in a dentist's community for the same or substantially similar services.*

In addition to the standard MetLife network, your employer may provide you with access to a select network of dental providers that may be unique to your employer's dental program. When visiting these providers, you may receive a better benefit, have lower out-of-pocket costs and/or have access to care at facilities at your worksite. Please sign into MyBenefits for more details.

* Based on internal analysis by MetLife. Savings from enrolling in a dental benefits plan will depend on various factors, including the cost of the plan how often members visit participating dentists and the cost of services rendered. Negotiated fees are subject to change.

How do I find a participating dentist?

There are thousands of general dentists and specialists to choose from nationwide --so you are sure to find one that meets your needs. You can receive a list of these participating dentists online at www.metlife.com/dental or call 1-800-275-4638 to have a list faxed or mailed to you.

What services are covered by my plan?

All services defined under your group dental benefits plan are covered. Please review the enclosed plan benefits summary to learn more.*

*The information in this document represents an overview of your plan benefits, but is not a complete description of the plan. Before making any purchase or enrollment decision you should review the certificate of insurance which is available through MetLife or your employer. In the event of a conflict between this overview and your certificate of insurance, your certificate of insurance governs.

May I choose a non-participating dentist?

Yes. You are always free to select the dentist of your choice. However, if you choose a non-participating (out-of-network) dentist, your out-of-pocket costs may be higher.

Can my dentist apply for participation in the network?

Yes. If your current dentist does not participate in the network and you would like to encourage him or her to apply, ask your dentist to visit www.metdental.com, or call 1-866-PDP-NTWK for an application.* The website and phone number are for use by dental professionals only.

* Due to contractual requirements, MetLife is prevented from soliciting certain providers.

How are claims processed?

Dentists may submit your claims for you which means you have little or no paperwork. You can track your claims online and even receive email alerts when a claim has been processed. If you need a claim form, visit www.metlife.com/dental or request one by calling 1-800-275-4638.

Can I get an estimate of what my out-of-pocket expenses will be before receiving a service?

Yes. You can ask for a pretreatment estimate. Your general dentist or specialist usually sends MetLife a plan for your care and requests an estimate of benefits. The estimate helps you prepare for the cost of dental services. We recommend that you request a pre-treatment estimate for services in excess of \$300. Simply have your dentist submit a request online at www.metdental.com or call 1-877-MET-DDS9. You and your dentist will receive a benefit estimate for most procedures while you are still in the office. Actual payments may vary depending upon plan maximums, deductibles, frequency limits and other conditions at time of payment.

Can MetLife help me find a dentist outside of the U.S. if I am traveling?

Yes. Through international dental travel assistance services* you can obtain a referral to a local dentist by calling +1-312-356-5970 (collect) when outside the U.S. to receive immediate care until you can see your dentist. Coverage will be considered under your out-of-network benefits.** Please remember to hold on to all receipts to submit a dental claim.

*International Dental Travel Assistance services are administered by AXA Assistance USA, Inc. (AXA Assistance). AXA Assistance provides dental referral services only. AXA Assistance is not affiliated with MetLife and any of its affiliates, and the services they provide are separate and apart from the benefits provided by MetLife. Referral services are not available in all locations.

** Refer to your dental benefits plan summary for your out-of-network dental coverage.

How does MetLife coordinate benefits with other insurance plans?

Coordination of benefits provisions in dental benefits plans are a set of rules that are followed when a patient is covered by more than one dental benefits plan. These rules determine the order in which the plans will pay benefits. If the MetLife dental benefit plan is primary, MetLife will pay the full amount of benefits that would normally be available under the plan. If the MetLife dental benefit plan is secondary, most coordination of benefits provisions requires MetLife to determine benefits after benefits have been determined under the primary plan. The amount of benefits payable by MetLife may be reduced due to the benefits paid under the primary plan.

Do I need an ID card?

No, You do not need to present an ID card to confirm that you are eligible. You should notify your dentist that you are enrolled in a MetLife Dental Plan. Your dentist can easily verify information about your coverage through a toll-free automated Computer Voice Response system.

Do my dependents have to visit the same dentist that I select?

No. You and your dependents each have the freedom to choose any dentist.
